Details of changes to the Group Policy are shown below. The sections shown replace or change those of the same name in the group policy wording, Statement of Insurance or any previously issued endorsements. This is an important document which should be read in conjunction with the Group Policy and kept with all other Group Policy documents.

These changes are included for Beneficiaries who are eligible to be covered under the Group Policy and have paid the appropriate additional premium.

Changes to Cover

Destination

Wherever United Kingdom/UK is mentioned in this Group Policy, other than the definition of United Kingdom/UK and Group Policyholder, it shall be deemed to also include the Beneficiary's country of study.

This statement means that the student's (Beneficiary's) country of study replaces the United Kingdom/UK in the group policy when referring to location of cover.

Any cover provided for leisure trips within Europe is restricted to Beneficiaries studying in the UK only.
